

*A Message from the
Enterprise Chief Compliance Officer*

Our team of healthcare and legal professionals has decades of experience in healthcare administration, regulatory compliance, revenue integrity, higher education, information technology, and

academic medicine. We understand that the highly regulated healthcare and higher education industries require innovative, collaborative, and strategic approaches to ensure that our enterprise operations align with Jefferson's mission, vision, and values.

We will deliver the tools, training, and support that Jefferson's patients, students, employees, contractors, board members, and other members of our community need to maintain quality systems, provide superior care, adhere to all regulatory requirements, and "Do The Right Thing." Rely on us to help you navigate compliance challenges that impact your Jefferson-related activities. Please utilize this directory to find a professional to assist with all of your compliance-related needs.

We are here to help you
"Do The Right Thing."
