Reporting and Stopping SPAM Text Messages
From an AT&T Phone

You may receive an occasional solicitation or SPAM SMS message.

If they persist and you would like to block them, follow the 4 steps below.

| Forward your text message to **7726** | ![Text Message]
|----------------------------------------|----------------------------------|
| You will get a reply back from AT&T requesting that you then reply with the sender’s phone number or email address. | ![Text Message](Mon, Jul 14, 1:52 PM)
| Forward them the sender’s phone number or email address | ![Text Message](Dongyouben@hotmail.com)
| AT&T wants you then to go into your message and reply with BLOCK | ![Text Message](AT&T Free Message: It is likely that your message came from an email address. Please return to the original message and reply BLOCK)
